InvestEco Capital is once again selected for the ImpactAssets 50

InvestEco Capital is pleased to announce that again this year it has been chosen by ImpactAssets for their ImpactAssets50 list of leading global impact investment managers. The 50 firms that were ultimately selected for the IA 50 2017-2018 were chosen to represent experienced managers across a breadth of geographies, asset classes and impact areas of focus.

ImpactAssets is a nonprofit financial services firm that increases the flow of capital into investments that deliver financial, social and environmental returns. The ImpactAssets team brings several decades of experience in impact investing, innovative financial services, philanthropy and wealth management.

ImpactAssets describes InvestEco, "As an environmentally-focused investment firm, InvestEco aims to generate strong financial returns by applying our entrepreneurial culture, deep sector experience and a collaborative network to partner with socially-conscious investors and innovative companies in building a healthier world."
